WELCOME TO CORNERHOUSE

Cornerhouse sits prominently in the centre of Rye Lane, in a recently redeveloped, 7-floor red brick Edwardian building.

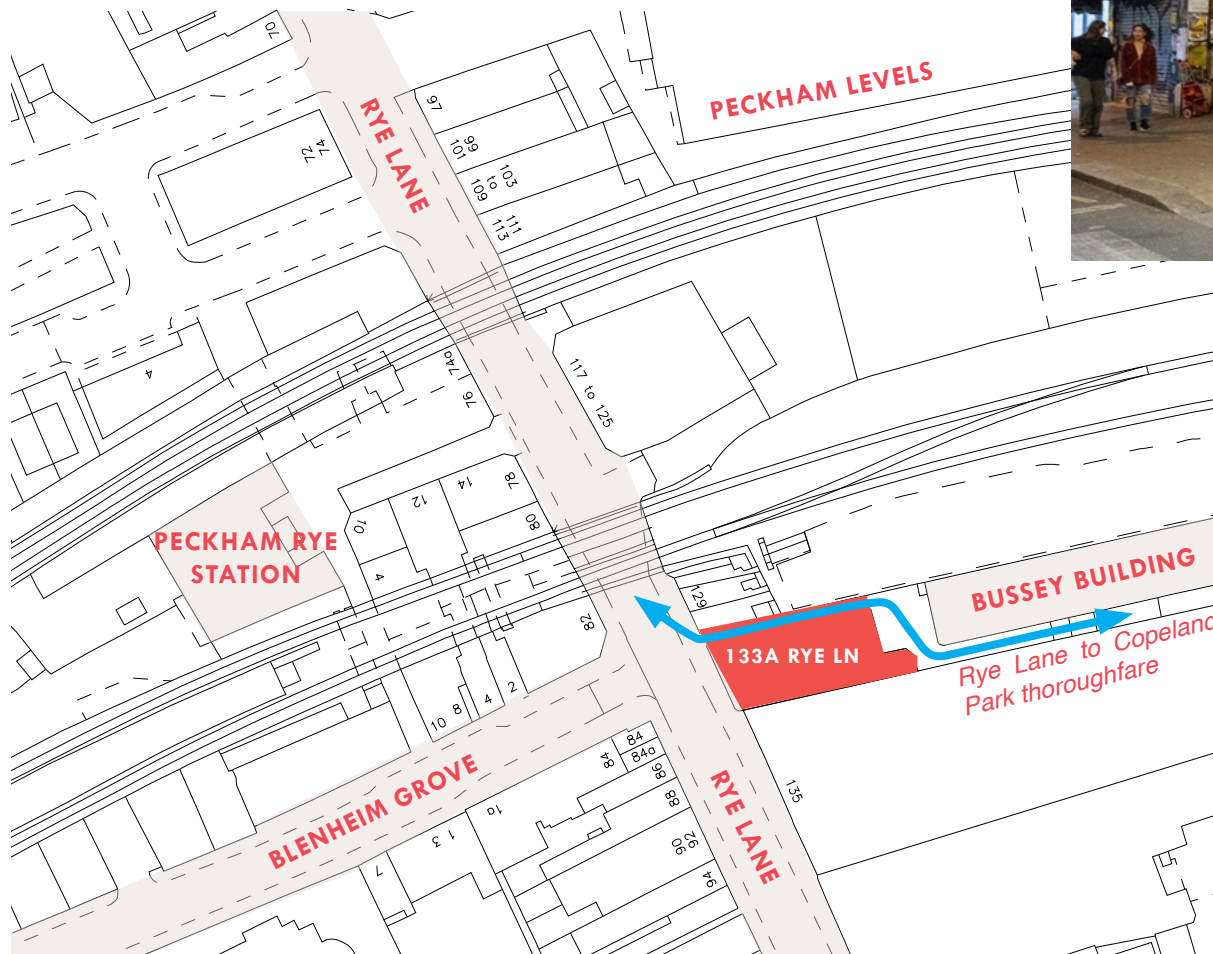

Since opening in 2019 we have been proudly platforming and supporting small local businesses, while offering our neighbourhood a place to come together to eat, drink, work and socialise in the heart of Rye Lane.

Formerly known as Market, our new Cornerhouse brand takes inspiration from Lyon's Tea Rooms and Corner Houses, one of the original operators of the building over a century ago. Traditionally 'corner houses' were places centred around the people who used them, coming together to share news, catch up with a neighbour or meet some new ones.

Building on this tradition, Cornerhouse offers a place for the local neighbourhood to call its own.

THE BUILDING

Cornerhouse is a bustling mixed use building with a large shopfront welcoming customers into the communal entrance area and lettable ground floor space. On our upper floors you'll find **MARKET PECKHAM**'s 270-person co-working space, **FORZA WINE**'s rooftop bar, **TONKOTSU**'s ramen restaurant, **MILO & THE BULL**'s fitness studio, plus **PECKHAM AUDIO**'s live music venue in the basement.

As well as having one of the most prominent frontages on Rye Lane, Cornerhouse also contains the primary accessway from the high street through to Copeland Park / Bussey Building.

Alongside footfall from the broad range of customers within Cornerhouse itself, this brings hundreds of small business owners and thousands of visitors through the building and past the front entrance and rear courtyard (pictured) each week, creating a genuine dual frontage and highly visible outdoor seating area (pictured) for the ground floor unit.
